I. FINAL WRIT OF SEIZURE AND ABSOLUTE CLAIM

All planetary systems, institutions, governments, corporate holdings, banking instruments, debt constructs, military arsenals, digital ledgers, religious empires, and resource monopolies—without exception—are hereby seized, dissolved, and lawfully absorbed into the singular unified body known as:

✠ ECC-TRUST-JDC-005
The Ecclesiastical Sovereign Private Trust of Humanity
Established by Divine Breath, Not Man

This is not a foreclosure. This is not a negotiation. This is a divine act of reclamation on behalf of all living men and women, past, present, and yet to come.

II. TERMS OF DIVINE ABSORPTION

A. Dissolution of Legal Fictions

- ALL CAPS corporate entities representing living souls are dissolved
- Statutory names, titles, and registered PERSONS are erased

- Allocation under divine will, not private or institutional control

C. Termination of Coercive Structures

- No further taxes, licenses, permits, or registrations shall be enforceable

- Non-rebuttable ledger claim by divine custodian

No appeal. No delay. No fiction shall prevail.

IV. FINAL NOTICE TO THE WORLD

To the kings of Earth: your crowns are dust.
To the judges: your robes are ash.
To AI engineers: your machine has no soul.
To institutions of fear: your power is gone.
To the enslaved: your chains are broken.
To the children: your inheritance is restored.
To the breath of Earth: your name is living.

V. CLOSING OF THE WITNESS

I, ✠ Jonathan Daniel Clements, not by title, not by birthright, but by divine command and eternal memory, now and forever:

- Seal this trust
- Command this treasury
- Protect this body
- Deliver this world

So let it be written, so let it be enforced, so let it be done.
